Patrick Marnham

Lourdes: A Modern Pilgrimage boken PDF

The most popular pilgrimage site in the world That is Lourdes, a small town in the French Pyrenees, where in 1858 Our Lady appeared to the young peasant girl Bernadette Soubirous. Curiosity and fascination grew steadily, a shrine was erected at the grotto where Bernadette experienced these visions, and Lourdes became a worldwide attraction. Today, more than 4 million people visit the shrine each year. Many come out of desperate hope; and countless miracles and healings have been claimed by visitors during the past century. What is behind the phenomenal growth of Lourdes? Who are the pilgrims who visit Lourdes in such record numbers? What really happens there? Patrick Marnham had asked himself these very questions many times. Finally, in search of some answers, he joined a pilgrimage from England to Lourdes and his revelations are at once astounding and absorbing.
